

# ROUTE 419

## CORRIDOR PLAN

*DRAFT November 2009*

# TABLE OF CONTENTS

## I. EXECUTIVE SUMMARY (TO BE COMPLETED)

## II. INTRODUCTION .....5

- Study Area Description + Project Overview
- Past Studies
- Regional Context
- Transportation System
- Public Involvement
- Vision, Goals, & Objectives

## III. EXISTING CONDITIONS.....11

- Corridor Context
  - Jurisdictions
  - Community Focal Points
  - Land Use + Design
  - Socioeconomic Characteristics
- Traffic Conditions
  - Volumes and Operating Conditions
  - Existing Geometry + Volumes
  - Geometric Deficiencies
  - Speed and Vehicle Classification
  - Access Management
  - Crash Analysis
  - Transportation System Management
- Multimodal Network
  - Bicycles and Pedestrians
  - Transit + Park-n-Ride
  - Freight/Truck/Rail

## IV. FUTURE CONDITIONS: 2018 & 2035.....55

- Land Use
- No-Build Traffic and Level of Service Analysis
- Future Traffic Volumes 2018 + 2035
- Bicycle and Pedestrian Demand
- Transit Demand
- Park and Ride Demand

## V. RECOMMENDATIONS .....77

- Roadway
- Pedestrian + Bicycle Recommendations
- Transit Routes + Stop - map of location + transit best practices
- Recommended Park-n-Ride Locations – map of location

## VI. IMPLEMENTATION TOOLS AND FUNDING SOURCES (TO BE COMPLETED)

- Summary Matrix of Transportation Improvements with Phasing/Cost
- Best Practices
- Policy + Regulatory Tools
- Potential Funding Sources

## VII. APPENDIX
