FEMA Region III
One Independence Mall, Sixth Floor
Philadelphia, PA 19106-4404

RE: Roanoke Valley-Alleghany Regional Commission
All Hazards Mitigation Plan Update
FEMA-DR-4262-VA-012

Dear Mr. Tierney:

It is my pleasure to forward for your approval the Roanoke Valley-Alleghany Regional Commission All Hazards Mitigation Plan. The plan was developed with the assistance of the Roanoke Valley-Alleghany Regional Commission. This multi-jurisdictional plan includes the counties of Alleghany, Botetourt, Craig, and Roanoke; cities of Covington, Roanoke, and Salem; and towns of Buchanan, Clifton Forge, Fincastle, Iron Gate, New Castle, Troutville and Vinton.

Enclosed you will find contact information for each locality for final approval letters. The Virginia Department of Emergency Management (VDEM) Region 6 Office staff has reviewed the plan. The attached local hazard mitigation plan crosswalk reflects the final edits. After completing the review, VDEM staff feels that the plan meets the 44 Code of Federal Regulations Part 201 (DMA 2000) and Part 78 (Flood Mitigation Assistance) requirements.

Enclosed you will also find paper and electronic copies of the plan for your review. Once VDEM is notified that this plan is compliant, VDEM will advise the localities to enact a Resolution of Adoption. A copy of this formal adoption document will be conveyed to FEMA Region III.

Saving lives through effective emergency management and homeland security.
“A Ready Virginia is a Resilient Virginia.”
Roanoke Valley-Alleghany Regional Commission All Hazards Mitigation Plan has my full endorsement, and I am proud to be submitting it on behalf of the Roanoke Valley-Alleghany localities for your approval.

If you need additional information about the plan, please contact Jonathan Simmons, all hazards planner-VDEM Region 6, at jonathan.simmons@vdem.virginia.gov or 804-314-1053.

Sincerely,

[Signature]

Jeffrey D. Stern, Ph.D.
